Instrumental Music Returns To Sequoia

A five-year controversy ended this week with the announcement by Dist. Supt. A. C. Argo that instrumental music instruction will be returned to Sequoia High School and Clarence Arthur Wigell will join the faculty as a full-time music teacher.

Argo's announcement was the finishing touch to the fight that began in May, 1941, when a recommendation was presented to the board of trustees that Max Gelber, the music teacher at that time, be transferred to the mathematics department. The recommendation was opposed by a petition containing nearly 400 names, including many clergymen.

The opposition won its point and the recommendation was withdrawn.

The controversy smouldered but did not flare into flames again until last year when the board of trustees, in an adjourned session, abolished instrumental music as a course of study at the high school.

The board's action was followed by the filing of a writ of mandate by Gelber, who sought to force the trustees to rehire him on the grounds that abolishing the instrumental music department was tantamount to firing him. Dist. Atty. Gilbert D. Ferrell declared that under the State Teachers' Tenure law, Gelber could not be fired and the issue was settled with the appointment of Gelber to the mathematics department.

Meantime, instrumental music remained an extra-curricular subject at the high school with the result that the school band, which had previously won state-wide honors, suffered a decline.

Argo said that instrumental music will be a regular five day a week class and will give full credit to the students carrying the subject. He added that Wigell will advise and instruct the high school's three bands, the marching band, the dance band, and the pep band.

Wigell is at present teaching at Mt. Tamalpais High School, where he has been for the past two and a half years. He is a graduate of Michigan Normal College and of the University of Michigan, where he received his Master of Music degree. His first teaching job after his graduation was at the Northwestern Missouri State Teachers' College, where he taught classes in music theory and appreciation and was the band director. From there he went to the Mt. Clemens (Mich.) High School and from Mt. Clemens he went to Mt. Tamalpais.

Argo's announcement included the names of three other teachers who have been added to the high school faculty for the coming school year. They are Eunice Phillbrick, Sequoia and Stanford University graduate, who will teach general science; Ray Hubbard, Sequoia and California School of Arts and Crafts, who will teach art, and John G. Caffrey, University of California graduate, who will be in the social living and English departments.

200 Attend Dinner In Anderson's Honor

More than 200 persons attended a testimonial dinner for Congressman Jack Z.. Anderson in Daly City this week.

Anderson said that Congress is in a turmoil over the strike bill introduced by President Truman, and told of wiring the president that he was in favor of stopping the strike of the railroads at any cost.

He also told those present that the OPA had not been killed. He said he voted to extend the bill till Mar. 30, 1947. He declared he voted for amendments to put some teeth in the bill and stop black market operations.

Songs by Joe Triano of Redwood City were among the musical numbers which followed Anderson's speech.

First Entry in Rodeo Queen Contest

Miss Carolyn McGarrigle, 303 McEvoy St., is the first young lady to enter the running for the title: "Queen of the Redwood City Rodeo." The comely 20-year-old brunette is sponsored by the Redwood City Eagles, Aerie 418. Tribune photo.

Carolyn McGarrigle Enters Contest for July 4 Queen

Redwood City's contest to select a queen to rule over its Fourth of July Celebration and Rodeo was launched today when the Eagles' Lodge announced sponsorship of the first aspirant for the honor.

She is pretty, blue-eyed Carolyn McGarrigle, 20-year-old graduate of Lowell High School in San Francisco, now in charge of the classified advertising department at the Redwood City Tribune. Her selection as the candidate of Redwood City Aerie 418, Fraternal Order of Eagles, was announced by Delmar Peters, recently-elected president of the lodge. He said Hilton Gibson would be chairman of the Eagles' queen contest committee.

Miss McGarrigle, the daughter of Mrs. Madelene McGarrigle of 303 McEvoy St., Redwood City, is 20 years old; five feet three and a half inches in heigth and weighs 118 pounds. She has naturally curly brown hair. She has lived in Redwood City for the past nine months.

That she will soon have competition for the honor was assured today when K. B. (Pete) Towne, president of the San Mateo County Horseman's Assn., announced that at a meeting Sunday his county-wide group had voted to sponsor a queen and would make final selection of a candidate at its regular meeting Wednesday night. Several other organizations are known to be planning to enter contestants.

Winner of the contest will be determined through sale of tickets to the four-day rodeo to be held in connection with the celebration at the new recreation center at the end of Vera Ave., west of El Camino Real. The contest will end June 28, with the winner being crowned the following night at a Queen's Ball staged by the 20-30 Service Club.

Philomene Baradat Estate Over $10,000

The late Philomene Baradat, Belmont resident who died May 19, left an estate valued in excess of $10,000, according to a petition for probate of will filed with County Clerk William H. Augustus this week.

The petitioner, the Bank of America, asks to administer the estate which is to be set up in trust according to a will made Jan. 11, 1945.

Specific bequests include $1000 to Margaret Fleishman of 714 Adams St., and $1000 to Henri Lassere, a grand nephew residing in France.

Heirs are Jules F. Baradat, a son, residing at 1150 Old County Rd., Belmont, Katherine Baradat, a daughter-in-law, and Phillip P. Baradat, a grandson.

Safeway Faces Butcher Strike

Union officials this were awaited word from San Mateo County employers in connection with a proposed strike by AFL butchers against 77 Safeway stores in the San Francisco Bay Area. Walkout is set for Monday.

Milton S. Maxwell, butcher union spokesman, announced he had received assurances that AFL grocery clerks, teamsters and bakery wagon drivers would not cross picket lines.

The Safeway company had refued to accept union demands for Monday closing of butcher shops to insure a five-day week for butchers.

"We have no objection to the five-day week for butchers," a company spokesman said, "but we do oppose the union's attempt to dictate to us the days on which we do business. We believe that is beyond the scope of collective bargaining."

Maxwell said other meat markets had agreed to the Monday closing and added "I can't see why Safeway shouldn't go along too."

San Francisco and the Peninsula meanwhile faced a critical meat shortage as bad or worse than during the war, a spokesman for the slaughtering industry said.

At least a fifth of San Francisco's 500 butcher shops were reported closing from two to three days a week because of short supplies.

Meanwhile union members called a meeting in Oakland tonight to discuss an expected counter proposal from Alameda County butcher shop employers.

Fire Guts Storage Shed On Old County Rd.

Fire gutted a storage shed at the North Redwood Cabinet Shop, Old County Rd., San Carlos, Wednesday afternoon, San Mateo County Forest Service men announced. San Carlos firemen also responded to the fire.

Sawdust underneath the small structure was ignited by a nearby incinerator, Dep. Fire Warden Ernest Werder declared.

Small pieces of millwork were damaged, although a lathe and electric motor were not hurt. Ed Sandberg, owner, estimated damage at $50.

Bootleggers Raided

Dep. Sheriff Jack O'Brien looks over the 100-gallon vat which had been used to manufacture liquor on a La Honda ranch prior to a raid by San Mateo County authorities.

Grass Fires Keep Firemen Busy

Redwood City firemen answered three calls to grass fires within nine minutes Wednesday afternoon. At 12:33 p.m. they were called to Grand St. and Harrison Ave.; at 12:40 p.m. a truck was dispatched from the first fire to another at Fulton St. and Jefferson Ave.; and at 12:42 p.m. the department went to work on still a third fire on Sequoia High School property near City Park.

Man Seriously Burned As Gasoline Ignites

C. J. Cook, 32, suffered serious burns at noon Monday when a can of gasoline ignited while he was repairing a car at Half Moon Bay Rd. and Skyline Blvd.

Cook was taken to Community Hospital after Half Moon Bay firemen extinguished the blaze in the rear of the Mountain House resort.

He was caught underneath the automobile when the gasoline exploded, fireman said.

Schultz: Bill Now in Congress Would Delay 'Vets' Homes

Niels Schultz, president of the Peninsula General Contractors & Builders Assn., today warned that enactment of the Wagner-Ellender-Taft bill now before Congress will seriously delay the veterans' emergency housing program.

He stated the bill would result in forcing many veterans into public housing projects.

A survey of the building materials situation, recently undertaken by the National Assn. of Home Builders, Schultz stated, shows that many basic materials are so short that already a building lag on houses under way has set in. Authorization of the half million units of public housing contained in the W.E.T. bill, the national association states, would mean that much of the scarce materials would move directly into public housing projects, which are certainly not the kind of homes veterans have been fighting for, Schultz emphasized.

"This is not drum-beating; it is a very real danger," Schultz and size of the public housing contracts would seriously interfere with small builders in every part of the country securing building materials in sufficient volume. It is these builders here in San Mateo County and throughout the nation who are now providing homes under the Veterans' Emergency Housing Program and their operation should not be interfered with.

"Building materials are in shortest supply in the history of the industry. If the half-million unit public housing program is started now, it will retard completion of houses already started and those about to begin, for many months. The veterans will be the losers, and the congress should bear this in mind when the W.E.T. bill comes up in the House. This is certainly not the time to start another huge public housing program."

The association pointed out that the Federal Public Housing Authority has 100 million dollars worth of public housing projects "ready to go" as soon as the W.E.T. bill is passed. These are war-suspended projects, held back from construction. They should not be built until the veterans' need has been met.

Private builders throughout the country have rallied to the support of the Veterans' Emergency Housing Program, the association said, and have started building on a projected program on the scale of a million homes annually. This has been done on the assurance that nothing would be allowed to interfere with this building effort. But shortages already have slowed down some of the building and have prevented completion of thousands of houses.

"We are ready to build all the houses veterans need," the association said, "but we are presently bogged down through shortage of building materials. The real question is "which is the more important—more public housing; more homes for veterans?"

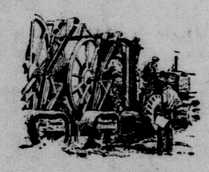
What our $400,000,000 five-year expansion program means to you

More than $100,000,000 Construction Planned for 1946

If you are waiting for a telephone . . . you may be certain that getting one to you just as rapidly as possible has top-priority in our plans. We are working full speed on buildings, cables, switchboards and other equipment needed to provide service for everyone who is waiting . . . and to make service even better for every telephone user.

If you are a farmer . . . you may expect the extension of telephone service in rural areas. New methods and new developments will be used, including high-strength steel wire, power line carrier equipment and possibly radio for remotest locations. You may also expect fewer parties on the lines, fewer rings for other parties and other service improvements.



If you use Long Distance . . . you may look forward to an even better and faster service than ever before. We are working on our part of a nation-wide coaxial cable network for long distance calls and television transmission. Equipment will be provided for nation-wide operator dialing of toll and long distance calls and for customer dialing of toll calls between some communities.

Thousands of jobs . . . millions of man hours of work . . . will be created by this program, the largest in our company's history. Our total plant investment will be increased to more than a billion dollars. For it is our purpose to provide an ever-widening, ever-improving telephone service . . . to grow with the West and to help the West grow.

Every day we seek to make telephone service even better than it has ever been before

Girl Scouts to Use New Camp On 28-Acre Site This Summer

This Summer for the first time the Girl Scouts will use their brand new 28-acre camp, Woodhaven, on the La Honda Rd. And this Summer, girls who otherwise would not be able to afford it will be given a two-week outing at the camp through donations to the Lions Club- sponsored Campership Fund.

A fortnight at the $35,000 camp, which has accommodations for 64 girls and their counselors, will cost a Girl Scout $26 and a non-Girl Scout $28. This fee includes transportation costs. The second period has already been filled, but the first period, July 9 to 22, and the third period, Aug. 6 to 19, are still open.

Under the guidance of a large staff of adults, including a resident physician and a nurse, the girls will gather in the spacious living room of a rustic house on the site to sing songs in front of the large stone fireplace, will follow the creek that runs through the property on daytime hikes, will swim, study nature lore, dramatics and campcraft, and will learn to live in the great out-of-doors.

The Boy Scouts will again this year operate Camp Pescadero, a name that brings fond memories to the 10,000 boys who have been there in the past 24 years. In Memorial Park, near the Butano Ridge, the camp offers the opportunity for a boy to learn to be a citizen in a community of boys, to learn loyalty, team play and respect for the rights of others.

Unlike Woodhaven, which accepts applications from Girl Scouts and non-Girl Scouts, Camp Pescadero is open only to Boy Scouts. The first period, from June 24 to July 8, costs $30.50, including transportation, while the second period, July 8 to 15, and the third period, July 15 to 22, costs $17, including transportation. A boy may stay for both the second and third periods if he wishes.

Besides the two Scout camps, there are two other camps in the county, run by the Young Men's Christian Assn. These are Camp Jones Gulch for boys and Camp Wasiata for girls. They are both located within a 927-acre tract near La Honda, but Camp Wasiata has its own buildings, equipment and play areas.

The two-week outings at each camp costs $31, including transportation. For the boys, the periods are from July 8 to 22, and from July 22 to Aug. 5. For the girls, the one period is from Aug. 13 to 27.

Just as at Woodhaven and Pescadero, these two camps, Jones Gulch and Wasiata, have trained personnel and physicians and nurses at the camps at all times.

Last year the Campership Fund, through generous individual contributions and service organization donations, surpassed $200, which was used to send children to these camps. This year the contributions are expected to be even more. Donations of all sizes for the fund are accepted at the Tribune office.

Carol Drake tells how to prepare outdoor meals

For fun, there's nothing better than eating out-of-doors. That's why we suggest that you get an early start and enjoy the picnic and barbecue season to the fullest. This coming holiday or weekend offers a grand opportunity to usher in the season.

PLAN A BARBECUE—If you're an outdoor cooking enthusiast, then it's high time to get the embers glowing in the barbecue pit. But don't be daunted if you haven't a pit over which to cook. Follow the old-fashioned way by digging a hole in the ground about a foot deep and as big around as you need. Then support a grill or wire rack on two stones or bricks over the hole. Start your fire early so that your "pit" will be half full of glowing embers by barbecue time.

*For kabobs, string small squares of meat, bacon and onion slices alternately on long fork, broil.

FOR THE PICNIC—If picnics are impromptu affairs in your home, then be ready with the "makings" already on hand.

SANDWICH PICNIC
Assorted Sandwiches of Cold Meat and Cream Cheese, Chopped Egg and Onion, and Peanut Butter and Jelly
Potato Chips or Potato Salad
Pickles, Olives, Raw Carrots, Lettuce Wedges

Soldier, S.F. Man Succumb, Woman Held on Felony Charge

Two fatal hit-run accidents boosted the county's 1946 traffic death toll to 38 during a weekend in which California Highway Patrol men investigated 11 collisions involving injury or death.

Mrs. Thelma L. Lacey, 30, hostess at the Whitcomb Hotel in San Francisco, was slated for release on $1000 cash bail late Monday following her arrest early today on a felony hit-run charge.

Mrs. Lacey was taken into custody by San Francisco Police on 19th Ave. 30 minutes after a Millbrae man reported the license number of a car that had struck PFC LeRoy F. Hill, 35, Camp Stoneman soldier, near Millbrae Ave. on El Camino Real.

Hill, who was dead on arrival at Mills Memorial Hospital at 1:45 a.m., was technically absent over leave from his post, according to pass papers found in his pocket.

Mrs. Lacey told officers she was en route to her home with Mr. and Mrs. Angelo Speeler of 1315-43rd Ave., San Francisco, after visiting friends in Redwood City, when the accident occured.

Capt. E. F. Cassell of the CHP said a right headlight rim found at the scene was from her car.

Second hit-run victim was Philip P. Vaught, 55, of 286 Second St., San Francisco, who died two hours after being struck on Junipero Serra Blvd. at the entrance to Woodlawn Cemetery.

Witness to the accident was Joe P. Wharry, Tanforan sailor, who said Vaught was knocked into the northbound lane of traffic by a southbound car which failed to stop at 8:30 p.m. Sunday.

Wharry said two northbound cars passed over the victim's body and dragged it 50 feet without halting to render aid.

Patrol officers said a loaded .38 revolver in Vaught's pocket indicated he may have been a night watchman or guard, but deputies in the San Francisco coroner's office were still seeking information of the dead man Monday afternoon.

Vaughn was taken to Alameny Hospital and then to Mission Hospital where he expired.

Cassell said a side view mirror found at the scene indicated the hit-run car was a maroon color and Wharry identified the vehicle as a late model sedan.

Vaught's injuries included a skull fracture, compound leg fracture and compound wrist fracture.

Arthur Gerguson, 23, of Petes Hotel, South San Francisco, suffered a possible pelvis fracture and possible coccyx fracture at 6 p.m. yesterday when automobiles driven by Thomas H. Huddleston, 74, construction superintendent who resides at 50 King St., Redwood City, and Lawrence G. Pini, 27, South San Francisco sheet metal worker, crashed at Geneva Ave. and Bayshore Hwy.

Bini was driver of the car in which Ferguson was riding.

Lawrence Martinelli, 6, of 305 High St., San Luis Obispo, escaped serious injury when he was struck by a car on Old County Rd., at Bayshore Hwy. in Brisbane at 9:10 a.m. Sunday.

The boy ran from a field into the path of a car driven by Jessie C. Salmon, 30, of 454 Grand Ave., South San Francisco, CHP officials said.

Young Martinelli was treated for abrasions at South San Francisco Hospital.

Cars driven by Harvey W. Paige, 50, 2210 Poppy Dr., Burlingame, and Melvin Mar, 22, Fresno college student, collided broadside of Bayshore Hwy. near San Bruno Ave., Brisbane, at 5:35 p.m. Saturday.

Mar and Vera Fung, 22, also of Fresno, were treated at South San Francisco Hospital.

Bennie Amerson, 45, San Francisco longeshoreman, and Bernard J. Budke, 26, 1205 O'Farrell St., San Francisco, were involved in a rear end collision on Bayshore Hwy. near Brisbane, at 8:35 p.m. Saturday.

Budke and John Dixon, 30, Hunters Point, Amerson's passenger, suffered minor injuries.

W. D. Jensen, 23, Fortuna carpenter, escaped injury when his car left Coast Hwy. at Edgemar and plunged into a tree at 11 p.m. Saturday, patrolmen said.

Dana P. Krauter, 18, soldier, 1732 Palm Ave., San Mateo, suffered minor injuries in a rear-end collision involving a truck driven by Jack E. Reeves, El Monte, north of McDonald Ave. in Bayshore City at 11:30 p.m. Saturday.

Arthur Thimler Jr., 25, laborer of 509 Fuller St., Redwood City, escaped injury but his two passengers, Robert McGinnis, 21, 231 Poplar St., Redwood City, and George McGinnis, 29, 160 Edgewood Ave., Menlo Park, had lacerated faces in a crash involving a telephone pole.

Thimler said he skidded on Portola Rd. south of Woodside Sunday at 1 p.m.

William J. Atwell, 53, real estate broker of 296 Woodside Rd., Woodside Highlands, and Richard Saylor, 17, Stanford University student, were drivers in a rear-end collision on La Honda Dr. east of Skyline Blvd., Sunday, at 4:30 p.m.

T. A. Seely Jr., 17, of Oakland, suffered lacerations in the crash.

William F. Tiller, 21, San Francisco messenger, and Earl C. Tiller, 18, also San Francisco, suffered minor injuries when their motorcycle left Bayshore Hwy. and careened into a gully near Millbrae Rd. Sunday at 7:45 p.m. They were treated at Mills.

Two San Francisco pedestrians were killed near the San Mateo County line Sunday. Fred Curran, 55, and George Lund, 60, were hit at Sunnydale Ave. on Bayshore Blvd. by a Greyhound bus police there reported.

Brothers Booked For Burglaries

Joseph W. Racki, 25, carpenter, and Alexander A. Racki, 32, garage mechanic, were booked at the county jail Monday afternoon on charges of burglarizing two East Palo Alto taverns early yesterday morning.

The brothers, taken into custody in San Jose by police after a carelessly dropped rent receipt was left on the floor at a burglary scene, were being questioned today by Deputies Jack O'Brien and Milton Minehan.

Deputies said coin boxes, a bottle of champaign and other items of loot including $150 in cash were recovered in the room in which the brothers slept.

A five dollar bill inscribed "good luck from Truman," was identified as having been taken from Bob's Rancho at 1860 Bayshore Hwy.

Entry to the Rancho and Mora's Place at Ralmar and Bayshore Hwy. was by means of a pinchbar, O'Brien and Minehan stated.

The brothers were recently discharged from military service, they added.

R.C. Tax Rate Increase About 2.87 Cents, Says Blom

Although the general tax in Redwood City will remain at the $1.00 limit, the actual rate will be increased nearly three cents, City Mgr. E. W. Blom explained in reviewing the decision of the city council Monday night to approve a budget that calls for a capital outlay of $471,749.28.

Blom explained that the general tax would remain the same; however, increased expenditures for redemption of bonds of indebtedness and expenses for the public library would boost other items included in the total budget would necessitate a boost of 2.87 cents over the $1.464 tax rate on which property owners paid their taxes during the 1945-46 fiscal year.

The coming year's proposed tax bill would include:

General tax	**$1.00**
Bonds	**.2472**
Library	**.1725**
War Memorial	**.0730**
Total	**$1.4927**

Proposed general expenses will be $338,102.25, with an additional sum of $45,280.61 for bonds; $31,586 for the city library, and $13,372.75 for the city war memorial.

Blom pointed out that the taxpayers should not be misled by the fact that the general $1 tax will remain the same.

"Despite this," he said, "the tax rate in Redwood City will be raised slightly, because of the additional expenditures necessary for bonds and the city library."

The budget, which councilmen approved in record time Monday night is open for revision before final passage, the city manager said.

He indicated that there might be minor adjustments, but that the 2.87 cent increase is a pretty close guess as to what the taxpayer can add to next year's tax bill for each $100 assessed valuation.

"And speaking of assessed valuations," Blom added, this city has an assessed valuation of $18,500,000 (allowing 1 per cent for delinquencies, and we should reassess our property to bring it up to date."

A $12,500 item for conducting a reassessment program was accepted by the councilmen at this week's meeting at Blom's suggestion.

Final adoption of the 1946-7 budget has been set for the first meeting in August, City Clerk Ralph Dodge explained. Prior to that time, however, the Board of Equalization meeting will be held in the council chambers to give taxpayers an opportunity to protest any section with which they do not agree.

The date of this meeting will be announced later, Dodge said.

Find Missing Auto

Redwood City police Sunday recovered a Plymouth sedan automobile which Joe Menacho, 2741 Folsom St., San Francisco, reported stolen on Saturday.

Police Lt. S. D. Wood said the automobile was left with its keys in an ignition switch in front of 1025 Grand St. and that Menacho reported it driven away at 11:45 p.m. Saturday.

The auto was found abandoned.

Colma Woman Suffers Minor Hurts in Crash

Nellie Ruth Williams, 18, of the Buffalo Bill Ranch, Colma, suffered minor injuries Wednesday night in an intersection collision at Washington St. and Briggs St., Colma, California Highway Patrol officers reported today.

Firemen Investigate Possible Incendiarism

County forest service officers were investigating possible incendiarism following a small grass fire on the 1900 block, Whipple Rd., west of Redwood City Wednesday night.

Deputy Fire Warden Ernest Werder said it was improbable a carelessly thrown cigaret could have started a blaze in damp grass.

It pays to be emphatic and insist on having a full-size water heater for your home. That means saying—"no, no" to the old 20 gallon size storage heater and buying a 30, 40 or 50 gallon water heater to serve your family needs.

The new automatic washing machine or dishwasher you are planning to buy, will call for extra hot water. Buy a water heater with extra storage capacity to give your home uninterrupted hot water service at all times.
